pajamas for your ears

YOU ARE FEELING SLEEPY...

SleepPhones[®] were developed by a family physician to help her patients get a better night's sleep by drowning out noisy neighbours and snoring partners. The comfortable headband is made with soft, machine washable wicking fleece, which contain the thin, removable padded high quality speakers and a 4 foot cord with stereo jack connection, so you can plug it into your computer, music player, audiobook or television and listen in comfort without disturbing others. Simple, ingenious and definitely 'pajamas for your ears'!

SleepPhones[®] are available in a variety of sizes and colours from Amazon and Firebox or premiumlifestyle.co.uk £34.99
