AcousticSheep Teams up with Cleveland Clinic in Honor of Breast Cancer Awareness Month

ERIE, PA - October 12, 2015

AcousticSheep LLC, creators of the innovative headphones brands SleepPhones and RunPhones, teams up with the Cleveland Clinic in honor of Breast Cancer Awareness Month. During the month of October, for every SleepPhones® product purchased in the Sunset Pink color, AcousticSheep will donate a SleepPhones® Classic product to a breast cancer patient at the Cleveland Clinic.

AcousticSheep CEO, Dr. Wei-Shin Lai, explains that, "We hope to donate a few hundred units to some of the Cleveland Clinic's patients diagnosed with breast cancer."

Dr. Lai continues that "SleepPhones really are great to ease the anxiety, stress and depression that sadly goes hand-in-hand with cancer. We recently received a testimony from a woman who had been diagnosed with brain cancer several years ago. Over the years since her diagnosis, she was so full of anxiety, stress, and not to mention the sickness from the very treatment of cancer itself, that she had an extremely difficult time sleeping. When she began using SleepPhones, she said it literally changed her life. She was finally able to rest again and it improved her quality of life so much that she was able to "start living" again."

About AcousticSheep LLC:

AcousticSheep LLC, an Erie, Pennsylvania-based company, strives to create a world of happy, healthy and well-rested people with its comfortable headphones, allowing for easy sleep and enjoyable exercise. Formed in 2007 by a family doctor and her husband, AcousticSheep products are designed with comfort, quality, and the environment in mind. The company strives to use local resources, leverage technology and be socially and environmentally responsible as it manufactures its patented designs.
