RunPhones® Exclusive Wireless Bundle Now Available at Sam’s Club

ERIE, PA - September 14, 2015

AcousticSheep LLC, creators of the innovative headphones brands SleepPhones and RunPhones, announces that a special RunPhones® Wireless bundle pack is now available in 303 select Sam’s Club locations around the country and will soon be available online at SamsClub.com. The bundle pack will include one set of ultra-slim wireless speakers and two interchangeable headbands. It will sell for $79.95 at Sam's Club with a retail value of $119.90.

RunPhones® Wireless headphones are the world’s most secure and comfortable headphones for running and exercising. The product's innovative, over-the-ear design features ultra-slim headphones embedded inside of a sporty, moisture-wicking, machine-washable headband.

These headphones provide superior sound quality with eco-friendly, lead-free electronics allowing you to easily sync with any Bluetooth-enabled device and stream music up to 30 feet away. Featuring a battery life of 10 to 13 hours, RunPhones are high-performance headphones you can hear for miles.

RunPhones® Wireless is an award-winning product, having won a Consumer Electronics Show Innovation Award as well as a RedDot Honourable Mention Award in Product Design (2014).
